Tom Bunk Interviews....26

Along with Mark Newgarden and Art Spiegelman (creators of Garbage Pail Kids), Tom Bunk created one of the GREATEST nursery rhymes spoof books of all time! Unfortunatly this book was never published......Why oh Why! didn't this book come out!!!

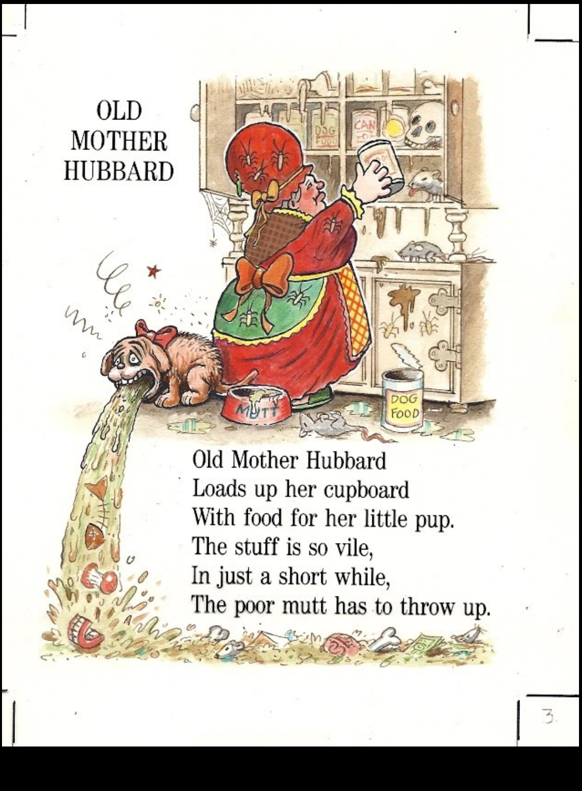
HUMPTY DUMPTY

Humpty Dumpty sat on a ledge
Humpty Dumpty fell off the edge
"Oh God" screamed Humpty
"I've broken my legs!"
The King's men took him home
And had scrambled eggs.

2



OLD MOTHER HUBBARD

Old Mother Hubbard
Loads up her cupboard
With food for her little pup.
The stuff is so vile,
In just a short while,
The poor mutt has to throw up.

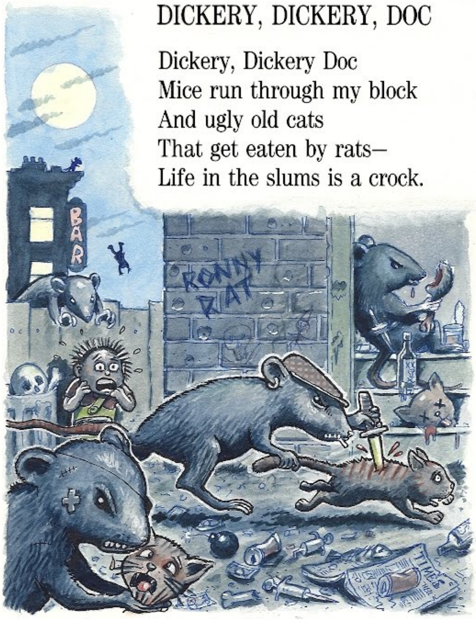
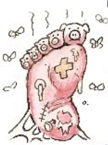
DICKERY, DICKERY, DOC

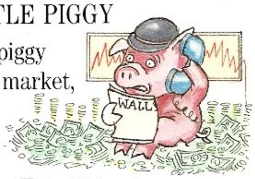
Dickery, Dickery Doc
Mice run through my block
And ugly old cats
That get eaten by rats–
Life in the slums is a crock.

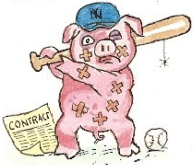


THIS LITTLE PIGGY

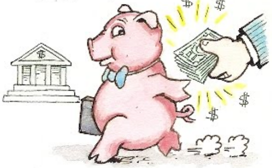


This little piggy
played the market,

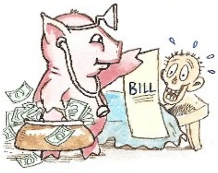




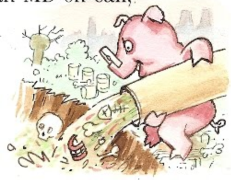
This little piggy
played pro ball,



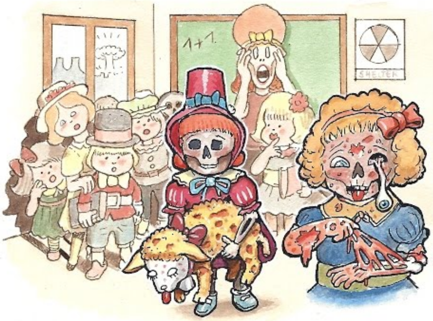
This little piggy
Went to congress,



This little piggy was
an MD on call,



This little piggy polluted
rivers and didn't seem to
care at all.

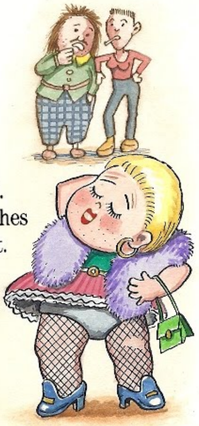


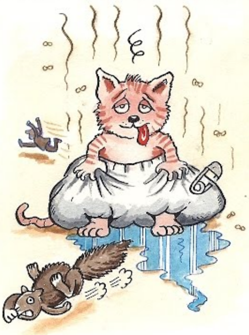
MARY HAD A LITTLE LAMB

Mary had a little lamb
Whose fleece began to glow.
Because it dined on poison grass
Which Mary didn't know.
She took the lamb to school one day,
As part of show and tell.
He made the children's skin decay,
Who knows if they'll get well!

WEE WILLIE WINKLE

Wee Willie Winkle
Runs through the town,
Wearing high heels
And a red sequined gown.
His outlandish attire
Makes his mom and dad upset.
They both agree his dress clashes
With his stockings of black net.





DING DONG DELL

Ding Dong dell
What's that awful smell?
I think I have a hunch
Who ate beans for lunch.

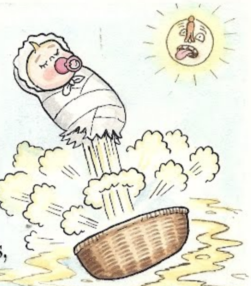
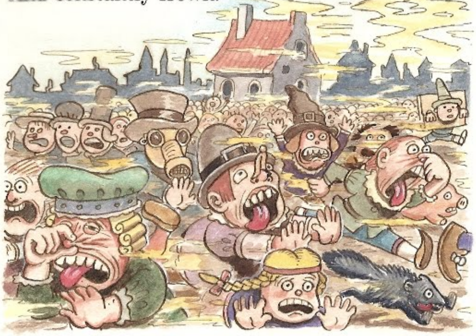
SING A SONG

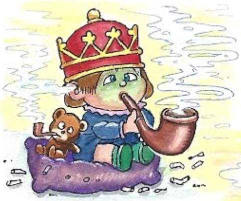
Sing a song of six packs,
Of junk food at the store,
Preservatives aplenty,
And additives galore.
Though chemicals might kill you,
It's really very clever,
When you're dead, it's nice to know
Your body lasts forever.

ROCK A BYE BABY



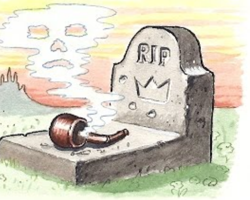
Rock a bye baby,
Let out a blast.
When the wind blows,
Get out of there fast.
When the wind shifts,
The odor hits town.
People hold their noses,
And constantly frown.



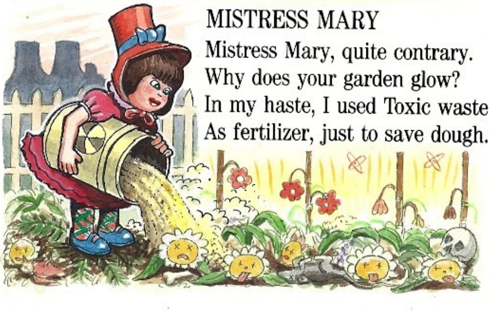


OLD KING COLE

Old King Cole smoked
Bowl after bowl
Ever since he was young.

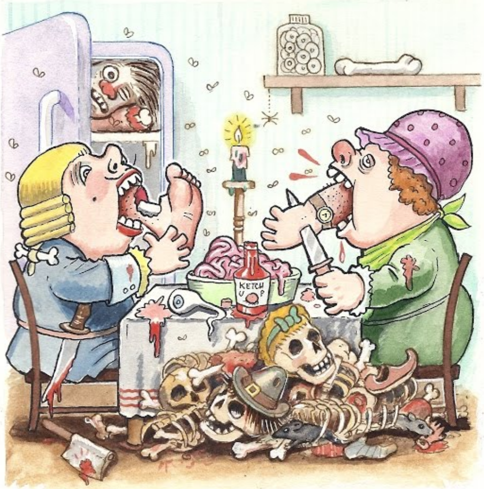


But all that smoking
Has taken its toll,
'Cause he's got spots
On his lung.



MISTRESS MARY

Mistress Mary, quite contrary.
Why does your garden glow?
In my haste, I used Toxic waste
As fertilizer, just to save dough.



JACK SPRATT

Jack Spratt ate a guy named Pat,
His wife consumed Irene.
They both had a taste for human fat,
And picked the village clean.

Garbage Pail Kids! Probably the most popular of Tom Bunks work were his fantastic Garbage Pail Kids creations! In addition to the FANTASTIC art on the front of the card, Tom Bunk, also created much of the WONDERFUL art on the backs of the cards starting with series 1.
